Dear Parents

As you may be aware De Lisle has been the subject of two newspaper articles just recently. I am writing to you all to assure you that all of us here at De Lisle are fully committed to giving your sons and daughters the best possible whole-school experience they can have and that is why we aim to provide the richest of extra-curricular opportunities.

Our sporting history speaks for itself, with successes both locally and nationally; our U14 cricket team are in the County Cup final, our U16 girls' netball team are County Champions and our U14 rugby team won the County Shield. Many of you will also have witnessed the talents of students in drama productions, music concerts, Art and DT exhibitions, and shared experiences with the Science department.

The support of parents at all these events is greatly appreciated by both the staff and the students, and we will all work together to continue to provide the very best for our students, both in and out of the classroom.

Yours sincerely
