

# Friesland School

Specialist Performing Arts College

Headteacher: Mr P. Monk BA (Hons), MA, NPQH  
Deputy Headteacher: Mrs S. Genda BEd, NPQH

September 09

Dear Parents/ Guardians,

For some time now the Department for Education and Skills have encouraged schools to develop their own websites. There are a number of reasons why a school should have a website; as a source of information to parents and friends of the school, to celebrate the success of our students as they grow and learn within the school community and as a resource for extended learning for the child and his or her parents if they wish to extend their work at home.

It is absolutely vital that the school can count on the support of the community it serves in this venture so that our website can be all of the things I have outlined. The website will be professionally run and hosted by teachers and learning support staff meeting all the Government guidelines for websites fully. Images of children will be used as a celebration of success and as purposeful illustrations of the curriculum in action. No image of a child will appear with name or other personal or identifiable details.

Should you have any concerns about this venture please do contact me at the school before the end of this term.

There are online resources available for students to use which are accessible through the school website [www.friesland.org.uk](http://www.friesland.org.uk) by clicking on the Teaching & Learning option and using the following password: **school**. We do hope that students will take advantage of the resources on line to support the work they do in school.

Yours faithfully

Mr P Monk  
Headteacher
