

Dear Parents,

24/1/12

SCHOOL CLOSED DUE TO GAS LEAK

We have a gas leak at the school – it coincides with BUT is nothing to do with the building work. The gas supply had to be switched off and we are now without heating. There will not therefore be any school on Wednesday 25th January.

Exceptions to the above

1. academies meeting for bursars and office staff will still go ahead – a.m. on Wednesday 25th
2. Annual review meeting will still happen at 3.45p.m.

This is because we have heating for one room.

We expect that heating will be back on for Thursday 26th January.
PLEASE CHECK OUR SCHOOL WEBSITE FOR AN UPDATE.

Thank you for your understanding,

D Shiels
